The Multicultural Center Prague is a non-profit organization that has recently started conducting "public hearings" on labour rights violations of EU and non-EU citizens. As part of this series of events the "Questions and answers with a lawyer" will provide both legal advice and collect migrant workers' experience.

~ refreshments will be provided ~

The project *Testing EU citizenship as "labour citizenship":*from cases of labour rights violations to a strengthened
labour-rights regime is financed by the European
Commission grant in the Europe for Citizens programme.
